

Towcester Church of England Primary School **September 2026 Newsletter**

*We will send the children out, as Noah did the dove (Genesis 8:8-12),
having nurtured and prepared them for life. Knowing that they are
valued, they can fly and take the values of the school out into the world.*

Dear Parents and Carers,

Welcome to the 2026-27 academic year

We're absolutely delighted to welcome everyone back to Towcester CofE Primary School for what promises to be an exciting and enriching new academic year! It's been such a joy to see the children and their families returning to school, and we extend a particularly warm and heartfelt welcome to our new EYFS intake and their families as they begin their exciting educational journey with us. We've been truly impressed by how the children have settled back into school life – they've already been demonstrating our school values of compassion, wisdom, hope, fellowship, thankfulness and courage; whether it's showing compassion to a new friend, displaying courage in trying something new, or expressing thankfulness for the opportunities they have, it's wonderful to witness these values coming to life each day.

Over the summer months, our site team has been incredibly busy refreshing and enhancing our learning spaces. All of our Key Stage 2 and EYFS classrooms have been painted and have new flooring, creating bright and welcoming spaces that are ready to inspire learning and creativity. You may also have noticed our new pond. This exciting addition to our grounds will be planted up to encourage biodiversity on site.

This newsletter is packed full of news, updates and dates for the many events and activities taking place throughout this term. We very much hope you'll be able to join us for some of them.

If you would like to discuss any aspect of the newsletter, please do contact your child's class teacher in the first instance or email the school office office@towcester.pdet.org.uk

Kind regards,

Sally Beaton, Headteacher

Classrooms Makeover!

The Key Stage 2 and Early Years Foundation Stage classrooms have been transformed over the summer! Each space has been freshly painted and fitted with new flooring, creating bright, welcoming environments that are ready to inspire learning and creativity.

Our Key Stage 2 classrooms now feature fresh walls and our signature school blue carpet, whilst our EYFS setting has been fitted with hard-wearing, practical wooden flooring – perfect for our youngest learners' active exploration and play.

It's rewarding to see the children already enjoying these wonderful new learning spaces!

We're delighted to announce that we have achieved the prestigious Eco-Schools Green Flag Award with Distinction!

This is a wonderful achievement that reflects the outstanding work led by Mrs Malaj and our dedicated Eco-Council throughout the last academic year. We were thrilled to receive the award, and even more pleased that our efforts were recognised with a distinction. This success is testament to the commitment of our pupils, staff, and wider school community in making our school more environmentally sustainable. Well done to everyone who has played their part in achieving this fantastic milestone – we should all be incredibly proud!

Nut Free School

We are a nut-free and anaphylaxis aware school

Please could we ask that our community are mindful of those children who have allergic reactions, some severe, to nuts.

We ask that when selecting items for your child's lunchbox that you choose nut-free options. Please avoid using sandwich fillers such as peanut butter or Nutella as these pose a direct risk to pupils with allergies.

Your consideration and support enables us to keep all of our children safe in school. Thank you for your support.

OPAL Parent Play Training and Session

We're delighted to invite you to a special afternoon to discover more about OPAL play at Towcester CofE Primary School.

Join us at 1pm on Thursday 17th September for an exciting opportunity to:

Learn about OPAL play - Our OPAL play consultant will explain what your children do during playtime and why it matters. You'll discover how child-led play helps develop creativity, problem-solving skills, and resilience.

Experience it first-hand - After the training session, you're invited to join your child for a play session on our school grounds. See for yourself the wide range of activities available and watch how your child explores, creates, and learns through play.

This is a wonderful chance to understand the thinking behind our playtime approach and to share in the fun and learning your child experiences every day.

Change to PE kit Arrangements

We've made a small change to help your children get the most out of their PE lessons. From now on, **children should come to school wearing their PE kit on PE days**. This means they'll be ready to start their lesson straight away, without needing to get changed beforehand or afterwards. By saving this time, we can ensure children spend longer being active, playing, and learning new sports skills. We believe this will help make PE lessons even more enjoyable and beneficial for all our pupils.

Look out for a message from your child's class teacher on Dojo regarding your child's PE days.

School Term Dates and Holidays

This term we will continue monitoring attendance, punctuality and absence closely.

We believe that 'every lesson counts' and encourage regular attendance at school. We have high expectations of our children just as you have high expectations of us; these expectations cannot be met if your child is frequently absent or late.

We ask that you avoid booking holidays during term-time. Our term dates are published on the website a year in advance giving ample notice of holiday periods. Any holiday in term time will be treated as unauthorised absence and will be taken into account when referring parents and families to the Education Welfare Services. We will refer families to the Local Authority to consider administering Penalty Notices for non-school attendance when holidays are taken during term-time.

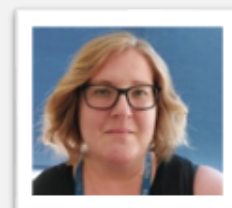

If your child's attendance drops below 95%, we will notify you and work with you to ensure that their attendance rate increases. Our target for every child is an attendance rate of above 96%. If your child's attendance drops below 90%, they will be classified as a 'persistent absentee'. We will work with you to set targets to improve their attendance, but if attendance rates don't increase within the timescales that are set, we have a duty to report the absence to the County Attendance Team. A Penalty Notice Warning may be issued which could result in a fine or further legal action through the courts.

Our school gates will close promptly at 8.50am as this is when our school bell goes to mark the start of the school day. Please allow ample time to arrive, park (if driving) and drop your children safely at school. Children arriving after 8.50am will need to enter school via the main school office. If your child is regularly late, we will contact you to offer support as important learning takes place from the very start of the school day.

Good attendance at school gives your child the very best opportunity to flourish, please support them in this by ensuring that they are in school every day that they are well enough to be.

If you need any support with your child's attendance, please do contact us through the school office. We will be more than happy to help.
